

**PROGRAMME OUTLINE: COPENHAGEN 2012 CONFERENCE
(5 March 2012)**

Sunday, 18 March 2012

Venue: Kong Arthur Hotel, Nørre Søgade 11

16.00–19.00 Registration, Kong Arthur Hotel

Side-events:

15.00–17.00 European Commission – Health Programme HIV/AIDS Projects

17.00–18.45 HIVeurope Satellite meeting – The role of HIV workplace policies and programmes in addressing “barriers” to early HIV counselling, testing, treatment and care

19.00–21.00 Welcome Reception, La Rocca, Vendersgade 23-25

Monday, 19 March 2012

Venue: Panum Institute, Blegdamsvej 3, University of Copenhagen

Time	Session	Moderators and Speakers
8.00–9.00	Registration – Coffee	
9.00–10.30	Opening plenary Auditorium: Lundsgaard	Moderators: Jens Lundgren and Ton Coenen, Co-Chairs of HIV in Europe
	Welcome to HIV in Europe Copenhagen 2012 Conference Objectives and expected outcomes of the conference	Jens Lundgren and Ton Coenen, Co-Chairs of HIV in Europe
	Welcome note from Copenhagen University	Ulla Wewer, University of Copenhagen
	Keynote speech: European Commission	Martin Seychell, DG Sanco
	Earlier HIV testing and care on the European agenda	Marisa Matias, European Parliament

	The role of ECDC in optimal testing and earlier care	Marc Sprenger, ECDC
	The role of WHO in optimal testing and earlier care	Guenael R.M. Rodier, WHO Europe
10.30-11.00	Coffee Break	
11.00-12.30	Plenary: Access to earlier testing and care Auditorium: Lundsgaard	Moderators: Nikos Dedes, EATG and Marita van de Laar, ECDC
	Key issues for HIV testing in Europe	Martin Donoghoe, WHO Europe
	Challenges in earlier HIV testing and linkage to care among people who inject drugs	Roland Simon, EMCDDA
	HIV testing guidelines in Europe and linkage to care: need for implementation - Western Europe perspective	Valerie Delpech, Health Protection Agency
	HIV testing and counselling in EECA: entry point for curbing the HIV epidemic	Nino Tsereteli, ECOM and EHRN
	Estimating HIV prevalence in European countries	Ard van Sighem, Stichting HIV Monitoring
12.30-13.30	Lunch	
Parallel sessions: Testing programmes and strategies		
13.30-15.15	1. Lessons learned in novel HIV testing strategies and programmes Moderators: Marita van de Laar, ECDC and Martin Fisher, Royal Sussex County Hospital Auditorium: Hannover	2. HIV testing and the continuum of HIV care Moderators: Anders Sönnnerborg, Karolinska Institutet and Jeffrey Lazarus, University of Copenhagen Auditorium: Haderup
		3. HIV testing among key populations Moderators: Julia del Amo, Institute of Health, Spain and Julian Hows, GNP+ Auditorium: Lundsgaard

PS1/01

Michael Rayment, C Rae, S Finlay, M Atkins, P Roberts, A Sullivan
Routine HIV testing in the
Emergency Department: tough
lessons in sustainability, UK

PS1/02

E Casalino, S Firmin, A Delobelle, B Bernot, C Choquet, G Der Sahakian, J Zundel, P Hausfater, YE Claessens, E Bouvet F Brun-Vezinet, Dominique Costagliola
Routine HIV Screening in 6 EDs in
Paris area: the ANRS URDEP Study,
France

PS1/03

Fiona Burns, S Edwards, J Woods, G Haidari, Y Calderon, J Leider, S Morris, R Tobin, J Cartledge, M Brown
Acceptability, feasibility and costs of
universal offer of rapid point of care
testing for HIV in an acute
admissions unit: results of the
RAPID project, UK

PS1/04

W Majewska, Catherine Howland, M Pakianathan
Increasing HIV testing in non-GUM
settings – a new training resource

PS2/01

Valerie Delpech, Z Yin, M Kall, A Brown
Quality of care and clinical outcome
of persons diagnosed with HIV in the
UK

PS2/02

Michael Meulbroek, E Ditzel, J Saz, H Taboada, G Font, A Perez, A Carrillo, F Perez, J Montilla, M Ingrami, V Gimenez, F Pujol
BCN Checkpoint: high efficiency in
HIV detection and linkage to care,
Spain

PS2/03

Maria José Campos, E Teófilo, H Machado, J Brito, J Esteves, L Mendão, R Abrantes, R Fuertes, T Rodrigues, N Pinto
CheckpointLX - MSM HIV testing and
linkage to care in Lisbon, Portugal

PS2/04

Jean-Yves Le Talec, C Rouzioux, Nicolas Derche, C Taeron, A Guérin, G Sebbah, G Tellier, E Penel
Checkpoint : rapid HIV screening in
community setting for a strong link to
care, France

PS3/01

Oksana Savenko, S Filippovych, Z Islam
Ukraine's experience in scaling-up
HIV testing and further referral of
high-risk population to health-care
institutions Ukraine

PS3/02

Nino Tsereteli, I Chiqovani, K Gogvadze, N Rukhadze
Effectiveness of continuous prevention
interventions for HIV testing uptake
among high risk populations in Tbilisi,
Georgia

PS3/03

Lazare Manirankunda, J Loos, C Nöestlinger
Translating research results into
promotion of HIV testing among Sub-
Saharan African migrants in Flanders
Belgium

PS3/04

Assel Terlikbayeva, M Berry, V Ragoza, A Janayeva, C Berry, N El-Bassel
Using community-based rapid HIV
screening among men who have sex
with men in a behavioral sero-
surveillance survey, Almaty, 2010
Kazakstan

UK

PS1/05

Axel J Schmidt, U Marcus, M Breveglieri, P Fernández-Dávila, L Ferrer, C Folch, M Furegato, F Hickson, HJ Hospers, D Reid, P Weatherburn. The EMIS Network Individual level and country level predictors for recent HIV-testing and late HIV diagnosis among MSM in Europe - aspects to consider when planning interventions to increase HIV-testing. Results of the European MSM Internet Survey (EMIS)

PS1/06

Claudia Carvalho R Fuertes, R Lucas, MJ Campos, L Mendão, AJ Schmidt HIV testing among Portuguese men who have sex with men- results from the EMIS Study, Portugal

Discussion

PS2/05

J Hows, Lena Grigoryeva PLHIV-Related Stigma in Belarus - impacts on quality of care and health outcomes, Belarus

PS2/06

Zoya Shabarova, T Ford, I Sobolev, S Kulsis, R Kulchynska, A Podymova Scaling-up community HIV rapid testing and linkage to care in Estonia, Lithuania, Russia and Ukraine: results and lessons learned

Discussion

PS3/05

Marta Vasylyev, M Sluzhynska, O Sluzhynska, O Grushynska Development of gender oriented services to increase the number of voluntary counseling and testing (VCT) among female drug users of Lviv region, Ukraine

PS3/06

L Gios, M Breveglieri, M Furegato, Massimo Mirandola Socio-demographic factors predicting HIV test seeking behaviour among MSM in 6 EU cities. Results from the SIALON European Project (2008-2010), Italy

Discussion

15.15–16.15 Poster Session and Coffee Break

16.15–18.00 Plenary: Late presenters and the undiagnosed

Auditorium: Lundsgaard

Moderators: Jean-Elie Malkin, Regional Support Team for Europe and Central Asia, UNAIDS and Brian Gazzard, Chelsea Westminster Hospital

Keynote speech: Danish Acting Minister of Health

Pia Olsen Dyhr, Acting Minister of Health

Characteristics of the epidemiology and temporal trends of late presenters in Europe

Joanne Reekie, UCL

An assessment of the approaches to evaluating cost-effectiveness of HIV screening strategies

Olivia Wu, University of Glasgow

Guidance on Indicator Condition-Guided HIV Testing: Presentation of draft guidance document

Keith Radcliffe, IUSTI

Discussion

20.00

Conference dinner, Moltkes Palæ, Dronningens Tværgade 2

Tuesday, 20 March 2011

Venue: Panum Institute, Blegdamsvej 3, University of Copenhagen

Time	Session	Moderators and Speakers
8.45–10.30	Plenary: discussing testing strategies Auditorium: Lundsgaard	Moderators: José Gatell, University of Barcelona and Lali Khotenashvili, WHO Europe
	Diagnostics/testing/regulations/incidence: US perspective	Bernard Branson, CDC
	A model of the MSM epidemic in the UK: implications for understanding the impact of condom use and ART in influencing incidence	Andrew Phillips, UCL
	People living with HIV Stigma Index: Findings from Estonia	Jekaterina Voinova, Estonian Network of PLWHIV and GNP+
	The COBATEST Project: Survey on Community-Based Testing Services in Europe	Michele Breveglieri, Regional Centre for Health Promotion

Report from Monday's plenary and parallel sessions

Jens Lundgren and Ton Coenen, HIV in Europe

Discussion

10.30–11.00 Poster Session and Coffee Break

Parallel sessions: Challenges in optimal testing and earlier care

11.00–12.30

4. Cost effectiveness of HIV testing

Moderators: Raminta Stuikyte, EATG and Valerie Delpech, HPA

Auditorium: Hannover

5. Characteristics of PLHIV who present late for care and missed opportunities for earlier diagnosis

Moderators: Yusef Azad, NAT and Henning Mikkelsen, UNAIDS

Auditorium: Lundsgaard

6. New HIV testing diagnostic technologies

Moderators: Igor Karpov, Minsk Medical Institute and Dominique Costagliola, INSERM Paris

Auditorium: Haderup

PS4/01

Elena Pizzo, M Rayment, A Thornton, T Hartney, V Delpech, A Sullivan, The HINTS Study Group
Cost effectiveness of HIV testing in non-traditional settings – the HINTS Study, UK

PS4/02

Y Yazdanpanah, Julian Perelman, J Alves, K Mansinho, M Lorenzo, J-E Park, E Losina, RP Walensky, F Noubary, H Barros, K Freedberg, DA Paltiel
Routine HIV screening in Portugal: clinical impact and cost-

PS5/01

Tetiana Kiriazova, O Postnov, I Perehinets, O Neduzhko
Association of injection drug use and late enrollment in HIV medical care in Odessa Region, Ukraine

PS5/02

Karen Champenois, A Cousien, L Cuzin, S Le Vu, E Lanoy, K Lacombe, O Patey, M Calvez, C Semaille, Y Yazdanpanah
Missed opportunities for HIV testing in newly diagnosed HIV-infected patients in France

PS6/01

Michael Rayment, E Doku, A Thornton, A Nardone, M Sudhanva, P Roberts, M Tenant-Flowers, J Anderson, A Sullivan, M Atkins
Automated laboratory-based oral fluid HIV testing in HIV screening programs – automatic for the people?, UK

PS6/02

Cristina Agustí, L Fernández, J Mascort, R Carrillo, C Aguado, A Montoliu, X Puigdangolas, M De la Poza, B Rifà, J Casabona
Acceptability of rapid HIV diagnosis technology among primary health

effectiveness, Portugal

PS4/03

I Menacho, E Sequeira, M Muns, O Barba, T Clusa, L Leal, E Fernández, D Raben, J Lundgren, I Pérez, F García, Agathe Leon
Comparison of "Opt-In" versus "Opt-Out" Strategies for early HIV detection, Spain

PS4/04

Oleksii Smirnov
Testing for HIV and syphilis in 4 cities of Ukraine: screening results, Ukraine

PS4/05

Roger Staub, S Derendinger
"Test and Treat" is not the answer to the HIV-epidemic among gay men and other MSM in Switzerland

PS5/03

Nikoloz Chkhartishvili, N Rukhadze, L Sharavdze, P Gabunia, A Gamkrelidze, T Tsertsvadze
Factor associated with late HIV diagnosis in Georgia

PS5/04

M Perch, PH Andersen, Axel Kok-Jensen
HIV testing among Tuberculosis patients in Denmark increased through the period from 2007 to 2009, Denmark

PS5/05

Murad Ruf, D Hsu, S O'Shea, S Costello, J Peck, W Tong
Diagnosing HIV infection in patients presenting with Glandular-fever-like illness in Primary care: are we missing primary HIV Infection?, UK

PS5/06

Percy Fernández Dávila, C Folch, L Ferrer, R Soriano, M Díez, J Casabona
Profile and determinants of having never been tested for HIV amongst men who have sex with men in Spain

care practitioners in Spain

PS6/03

Anne-Francoise Gennotte, P Semaille C Ellis, C Necsoi, M Abdulatif, N Rungen-Chellum, C Evaldre, D Gidiuta, F Laporte, M Mernier, S Sschellens, N Clumeck
Feasability and acceptability of HIV screening through the use of rapid tests by GPs in a Brussels area with an important African community, Belgium

PS6/04

Liudmila Untura, J Hows, I Chilcevschii
Stigma and discrimination on voluntary consultation and testing Moldova

PS6/05

Virginie Supervie, J Ndawinz, D Costagliola
How to estimate the size of the hidden HIV epidemic? The case of France

	Discussion	Discussion	Discussion
12.30–13.30	Lunch		
13.30–15.00	Panel discussion: HIV in Europe – the way forward Auditorium: Lundsgaard		Moderator: Jürgen Rockstroh, University of Bonn and Martin Donoghoe, WHO Europe
	Report from Tuesday’s plenary and parallel sessions		Jens Lundgren and Ton Coenen, HIV in Europe
	The impact and the outcome of the EP Resolution of 20 November 2008 - "HIV/AIDS: early diagnosis and early care" – Italy as a case		Matteo Schwarz, NPS Italia Onlus
	HIV testing and counseling services in Ukraine: what <i>e/se</i> should be done?		Ihor Perehinets, WHO Ukraine
	Panel discussion: <ul style="list-style-type: none"> • Moving East: What are the challenges? • Political considerations: the way forward • From guidance to implementation 		Brian Gazzard, Chelsea Westminster Hospital Elena Grigoryeva, Belarusian PLHIV Community Nikos Dedes, EATG Jean-Elie Malkin, UNAIDS Moscow
	HIV in Europe: Call to Action renewed		Jens Lundgren and Ton Coenen, HIV in Europe
15.00–15.30	Coffee break and End of conference		

Side-event:

15.30-17.00 Teen Testing: Can Europe do better? Round table discussion, UNICEF, WHO and UNAIDS with support from EU, Meeting Room: Store Mødesal
